

It's time to fire up those stoves for Souper Bowl Sunday!

Each year, the Ukrainian Orthodox League of the USA sponsors a fundraiser for St. Andrew's Ukrainian Orthodox Society, which has been promoting Christian ideals through charitable and humanitarian efforts for over 30 years. They support several soup kitchens throughout Ukraine by providing over 4,000 hot and nutritious meals monthly. In addition, St. Andrew's Society sponsors various outreach projects that support the needy Social Services of the Orthodox Church with direct financial aid for families devastated by floods in Western Ukraine, as well as aid to the families of soldiers who have perished from Russian Aggression.

Help us fight hunger in Ukraine by spearheading a special project on **Sunday, February 13, 2022.**

You can make and sell soup, have a soup drive-thru, or just put out a soup pot and collect donations. Be creative! Thank you for your support!

All checks, individual and organizational, should be made out to: **UOL of USA** and sent to UOL Financial Secretary:
